Dedication

We, the Seniors of 1956, wish to dedicate this ninth edition of the "Cardinal Echo" to Mrs. Virgle Vanscoyk, one of our most loyal teachers.

Through her help and guidance given to us during our Junior High school years we were able to make a success of our high school careers and reach one of our highest goals ---graduation.

We wish her luck and success for many continued years.

Class Prophecy

"YOU ARE THERE"

This is Channel XYZ, Planet, Mars, bringing to you a special program. Our narrator for this special program is Mr. Floyd J. Maurer, who recently spent a day in Gettytown, District 56, Planet, Mars.

Hello! folks, it is my pleasure to reveal to you the happenings that took place September 3, 1966, on Mars. I met Roger Wehrley, Superintendent of Getty High School, whose complete faculty were members from the "56" Senior Class of Gettysburg High School, Earth, and he wanted me to see the splendid jobs that they were doing. I met Dixie Sando working as the school secretary, who is still single which pleases all the high school boys. Dixie took me to see Donna Miller, a Registered Nurse at the Getty Hospital, who was making her annual check-ups at the school. Noticing Myra Jane Bowman, the Home Economics teacher, rush by the door, I went to see her department. While we were talking, in came Linda Class, who was to demonstrate her hair style, "Pink Poodle", for bald-headed women to Myra's Home Economics classes. I found Herbert Hill, the science teacher, working in the school laboratory. After hearing a big roar, Herbert informed me, that it was the band practicing under the direction of Jane Lecklider, head of the Music Department.

At lunch I talked to Jack Horner, the agriculture teacher, who drives an 888 rocket ship. We were discussing the progress of agriculture on Mars when he told me that Carl Strobel had leased a few acres of his land for research to the Future Farmers of Mars. Jack also told me about James Steele's most recent poultry development---hens that lay three eggs. I talked to Larry Brewer, the English and math teacher. He told me about his family's past summer's vacation at Lawrence Millers "Spend It And Enjoy It", summer resort, which had a swimming pool made of platinum and pearls.

I went out into the hall and found John Keller, the champion interplanetary basketball coach since defeating the Globe Trotters, Earth, and Charles Sell, the recent Ping-Pong champion. I congratulated both of them on their fine work. We met Betty Lou Smith, the Mayor's wife, in the hall and she took me to see her Commercial Department. I asked Betty if Norma Root were teaching anywhere. She said Norma was to take a position at the new elementary school this fall.

I left the high school and drove over to the elementary building and found Richard Marker, owner of the "Build Them High And Square" construction company. He purchased his Cadillac from Ronald Eley, who is President of Mars General Motors Division. On my way over to see Richard I talked to James Arnett, owner of the Cosmic Ray Water Pistol factory.

While driving down Main Street I noticed a big sign reading "Martian News---Kenneth McNutt, Star Reporter", so I stopped. He told me about the gold plaque that Gayle Rhoades, Police Commissioner, was awarded for solving the murder of Captain Video.

I stopped at a dress shop to get my wife something and found Patsy Jackson to be the proprietor. While at the dress shop I met Mildred Flora, who is working as a Spaceline Hostess on one of Dick Fine's many space ships. Dick is President of the Interplanetary Travel Service and has many flights scheduled each day.

I found my way to the town's finest night-club. The evening's entertainment featured Gene Riffell and Tom Miller, who are well known for their jazz and popular music. I left the night-club feeling very proud of the success of the class I supervised in 1955-56.

Friends, this program has been brought to you over Channell XYZ, supervised by two more members of the "56" Gettysburg Senior Class, Ted Griffieth and Charles James, who are President and Vice-President of the Communication Correspondence between planets.

LUIGIAN

uigi Gonzaga was born on March 9, 1568, in the small Italian hillside village of Castiglione, of wealthy parentage.

nder no external pressures, at the age of seventeen, he gave up his title and entered the Society of Jesus.

n 1591, then only twenty-three years of age, he died of the plague ministering to the poor and sick of Rome.

MARY, THE MOTHER OF GOD

DEDICATION

Holy Mary, Mother of God, pray for us sinners
Now and at the hour of our death. Amen.

These words are taken from a petition that embodies all the loyalty and devotion that Gonzagans have for our Blessed Mother. Throughout the past years we have sought her help in times of trial and we have rejoiced with our Lady in times of triumph. Now, facing the future, we turn once more to the Mother of God in the fervent hope that she will continue to intercede for us.

Apprehensive, we have turned to her; appreciative, we take this opportunity to thank her.

To the Mother of God we dedicate this *Luigian.*

RETREAT

Fr. Joseph P. Costa, S.J., dictates to the upperclassmen.

Every year the students of Gonzaga High School set aside three days out of the year for the annual retreat. This they consider to be the most important three days of the entire school year. Again this year the senior retreat was held in the gym while the frosh had their retreat in the chapel. The senior retreat was given by Fr. Joseph P. Costa of the Society of Jesus. The senior retreat this year was based on loyalty and purity of heart and mind. The frosh again were aptly taken care of by our Spiritual Director, Fr. John Thatcher S.J.

As a whole, the retreat went over again with an outstanding realization of the golden rule, silence. The groups that are usually the noisest and usually cause the most trouble were outstandingly quiet, and concentrated on making a good retreat to again regain a satisfactory spiritual agreement between themselves and God.

The Freshmen listen intently to Gonzaga's Spiritual Director, Fr. John Thatcher, S.J.

KNIGHTS OF THE LEASH

The Knights of the Leash, a service organization made up of students chosen for their excellence in studies and extra-curricular activities, has the difficult task of keeping order in the student body, and also setting good example for the other students. Various school events are also ushered each year by members of this club. The "Knight Flight," the annual dance sponsored by the Leash, proved to be a huge success. The dance was held in the Silver Room of the Spokane Hotel with music furnished by Ralph Dickenson, one of Spokane's most popular bands. King and queen of the event were Bob Meighan and Sue Kelliher.

Leash officers are shown with Mr. Eugene Schneider, S.J., Mod.; Joel Hawley, Sergeant-at-Arms; Bill Symmes, Vice-President; Mike O'Neill, President; and Pete Norrie, Secretary-Treasurer.

SOCK AND BUSKIN

The 1955-56 season was undoubtedly one of the best that the Sock & Buskin Club has ever had. This year the club was extremely active. They presented two top-notch Broadway plays in the Gonzaga Prep Gym besides assisting in some of Marycliff's and Holy Names' plays. Their first play, the Broadway hit "Heaven Can Wait", starred Jim Flaherty in the title role and was a smash hit. Both nights it played there wasn't an empty seat in the house. Their second production, "Green Pastures", starred Darrell Jesse, a newcomer to Gonzaga this year, and Art McGinn in the main roles. "Green Pastures" was also an instant hit with all who saw it. All the performers turned in exceptionally fine jobs. The Sock and Buskin Club has done a large part in making this year a year to be well remembered at Prep.

The Champ, Joe Pendleton (Jim Flaherty), poses in the best of form with his Manager Max Levene and Head Angel Mr. Jordan (Frank Burger and John Lynch)

The entire cast of "Green Pastures" is here shown in the finale of the Sock and Buskin Club's second production.

A detective (Tom Crowley) tries vainly to get information from Joe and his trainer (Tom McAndrews) as the bewildered doctor (Joe Hawley) leaves the scene.

"Why can't you hear me?" Joe's spirit shouts, as the rest of the cast makes small talk, completely unaware of Joe's presence.

"De Lawd" (Darrell Jesse) listens to Noah (John Hilger) as the latter tries to convince the Lawd that he should take two "kags o' likker' aboard the Ark

MR. WILLIAM SUVER

The exceptional is the rule when speaking about Gonzaga debate teams. To the winning precedent set by former years, additional awards were again added this year to attest the truth of the above statement. Semi-final status was attained at the Seattle Univ., Marquette High school, and Gonzaga Univ. debate tournaments by the team of Pete Norie and Donn Herron.

In the individual events, Bill Tanksley won recognition in dramatic interpretation, as did Donn Herron in oratory competition. Herron also terminated his final year of debating by placing second in scholarship competition at Seattle Univ. and by securing the best debater award for the U. W. Debate League.

The varsity team under the direction of Mr. Suver, S.J., was composed of two seniors, Pete Norrie and Donn Herron, and two juniors, Tom Rice and Bill Tanksley. Although the members of the varsity team received the actual acknowledgements, full credit must also be given to the remainder of the squad whose support and assistance made a great part of the year's success possible. Among these, those most promising for another successful year are Dan Murphy, Tom McKinnon, and Bob Lamp.

Shown is one of the many debates held at Gonzaga Prep during the school year.

GONZAGA NIGHT

Gonzaga has many great traditions, but one of the finest is that of Gonzaga Night. This year, Gonzaga Night was (as always, we might add) a huge success. Each of the four class marshals followed in the footsteps of Gonzaga orators and was warmly received, as was each class's presentation of talent. This was the Sophomores' year to gloat as they took the grand prize with their uncanny arrangement of "Sixteen Tons." They barely edged out the Seniors, however, who gave a sharp rendition "A Day in the Life of Joe Prep." The awarding of all the Varsity football letters and the presentation of the Inspirational Award to Nick (Cheech) August completed the program.

The alarm clock has rung and Joe Prep (sometimes known as Art McGinn) wearily rises and prepares for another day chock full of learning.

Father Thatcher directs the Glee Club as they open this year's Gonzaga Night program.

Famous crooner Con Lacey serenades his fellow classmates as the Juniors present their conception of a class reunion in Miami.

Coach Frazier (Dan Murphy) tells the grand prize winning Sophomore Quartette to, "Go! Go! Go! for good old Gonzaga Prep" as they sing their catchy arrangement of "Sixteen Tons."

The pleas of Father Perri (Bob Meighan) fall on the deaf ears of Joe Prep as Father Toner (Joe Hawley) grimly looks on.

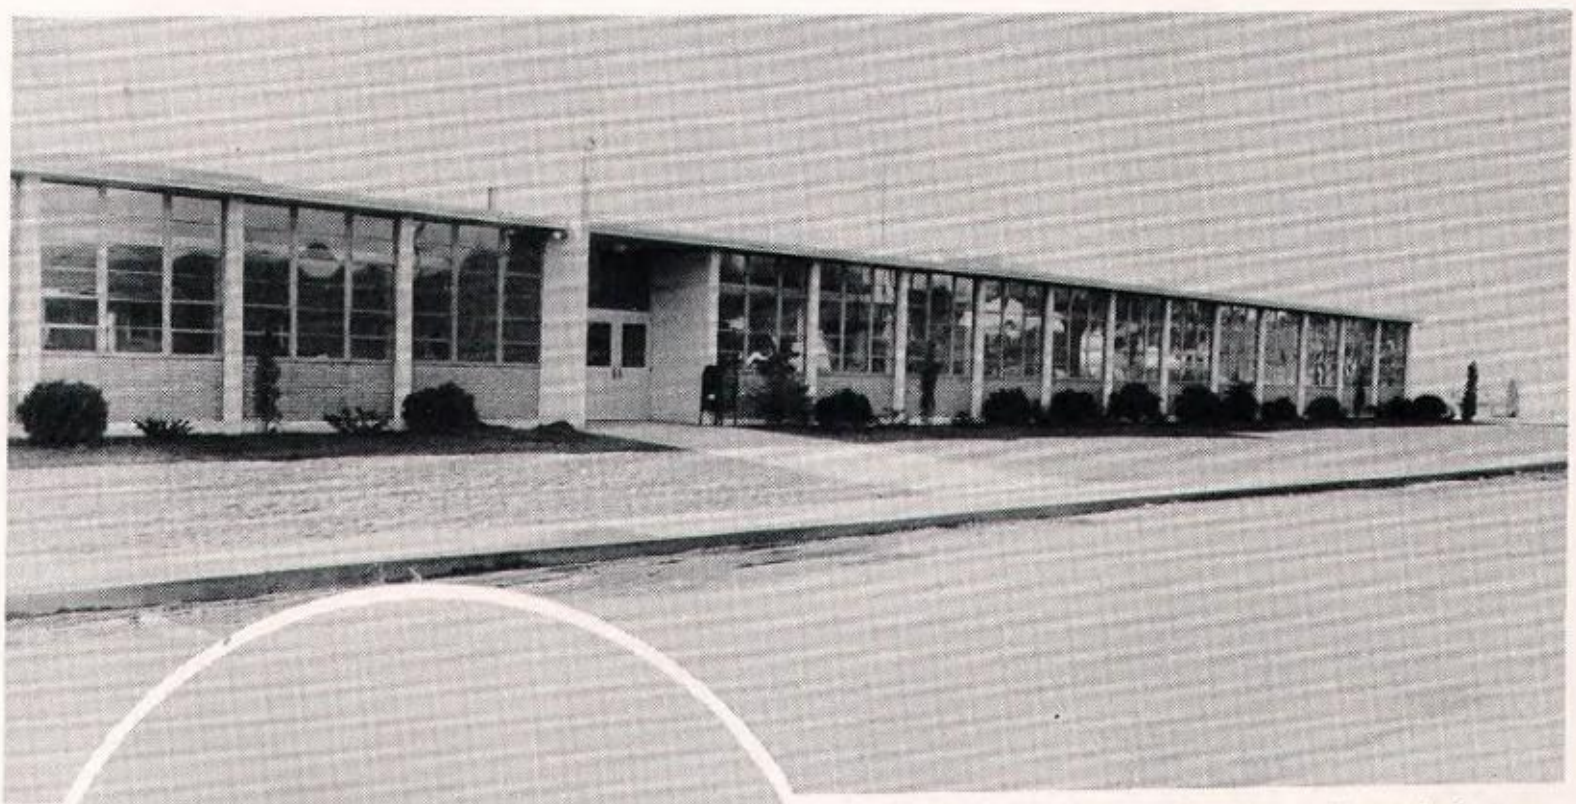
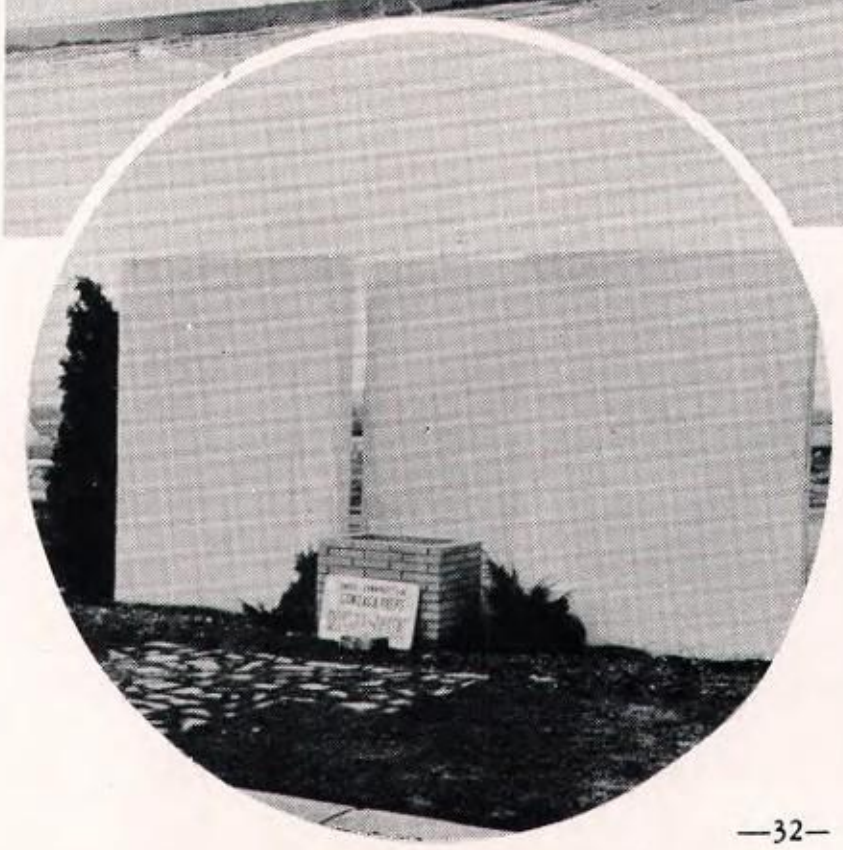
THE CAMPUS

FR. WILFRED SCHOENBERG, S.J.

Two years ago the site on which the present Gonzaga Prep now stands was nothing but a few acres of barren land. Upon this ground the people of Spokane built a Catholic School, but because of the condition of the surrounding area, this school was simply a modern building in an open field. In two short years, however, a tremendous amount of work has turned this open field into a beautifully landscaped school campus. There are many who have contributed to this result, notably, Mr. William Suver, who planned and built our Marian Shrine. Yet one man stands out from all others: Fr. Wilfred Schoenberg. Father came to Gonzaga the year the school was built and at once undertook the job of developing the grounds He spent months of his spare time working on the athletic fields, especially after school when he had plenty of 'volunteer' help from jug. ——— One need but look at the campus as it now appears in order to realize that Father has done wonders. Therefore, we, the student body of Gonzaga Preparatory School, wish to say, "Thank you, Father Schoenberg, for a tremendous job well done."





Two short years ago, this well tended lawn wasn't much more than a weed patch.

The Photography Club of Gonzaga Prep has been 'branded' with the endless job of taking, developing, and printing all of the many pictures for the Gonzagan, the Luigian, and for publicity stories on the school. In addition to this, they must study and keep up on the latest photographic techniques. Under the capable direction of Mr. John Lein, they have proven themselves to be largely responsible for the fine photographic work in your annual.

FOOTBALL

The varsity squad, picked as a top contender for the City and Columbia Basin League titles, started out with a bang and it appeared to everyone that this prediction would be fulfilled. Under the capable coaching of Bill Frazier, the team won the Vic Dessert Memorial trophy for their victory in the Merry-Go-Round game. This was followed by a 27-13 victory over Central Valley. However, the tables were turned in city league action, and Gonzaga lost their next seven games before defeating Rogers by a decisive margin in the final game.

Although this year proved to be one of Gonzaga's off-seasons, the football team nevertheless should be credited for their fine defensive play. This proved true in both Lewis and Clark games. Willie Jones, the league's top yard gainer, was stopped cold in both games, and the orange and black had to struggle to beat the Gonzaga eleven by the narrow scores of 7-0 and 12-0. The Gonzaga offensive spark came to life in the last game of the season with the result being a 20-6 victory over Rogers.

BOB FRANKOVIC turned in a good season of football in the right tackle spot in this, his first year of varsity football competition. "Frank" thus earned his varsity letter this season.

Tackle JERRY BUECHLER won his second letter on the varsity eleven this year. Jerry, who likes his football rough, spent his Sophomore year on the "B" Squad, and also played a year of frosh ball.

Guard RALPH BROWN completed his second season of good, 'heads-up' ball on the varsity this year and brought home his second letter. "Bud" played frosh ball and one year on the "B" Squad before moving up to the varsity.

Halfback JOHN LYNCH was one of the promising seniors who spent most of the season on the injured list. John, who was ruled out of competition because of a leg injury, would have been one of the best pass defensemen in the league.

Halfback PAT TIERNEY, a good team player with plenty of spirit and 'guts', was hampered by a chipped neck bone and was lost to the Pups for most of the season. Pat also played two years on the "B" Squad.

JOHN "SPIDER" BAGGS showed a lot of determination in making the varsity this season in his first year of football tryout. John is a faithful boarder and hails from the fair city of Lewiston, Idaho.

End JON HILGER completed four years of football at Gonzaga, and also gained his first varsity letter. Jon is one of the few gridders who lasted through the long grind necessary to reach a spot on the varsity. His frosh year was spent on the Midgets and the next two on the "B"'s.
